British Periodicals

EARLY COPIES SECURED. LI ONARD SCOTT & CO., New York, continue to republish the following British Periodicals, vig:

THE LONDON QUARTERLY (Conservative). THE EDINBURGH REVIEW (Whig). THE NORTH BRITISH REVIEW (Free Church). THE WESTMINSTER REVIEW (Liberal). BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render those publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hashly written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-citablished literary, scientific, and theological character, we arge them upon the consideration of the reading public.

2-27 Atrangements are now permanently made for the receipt of Early Sheets from the British Publishers, by which we are combled to place all our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.—

For any two of the four Reviews. for all four of the Keviews.....

CLUBBING.

A discount of twenty-live per cent, from the above prices will be allowed to Clubs ordering direct from L. Scott & Co. four or more copies of any one or more of the above works.
